

# Welcome to the Patient Portal

## What is it?

Online access to YOUR and YOUR FAMILY'S health information, allowing you to make informed decisions about your care and share your most recent clinical information with other healthcare providers and personal caregivers. You will have access to: VISIT NOTES, EDUCATIONAL HANDOUT, and TEST RESULTS. Save time in the office and improve accuracy!!! You can also update your MEDICATION LIST from the comfort of your home!

## Why do I have to do it?

The patient portal is MANDATED by the federal government as part of Centers for Medicare Services (CMS). In other words, healthcare providers are REQUIRED to provide patient portal access to comply with healthcare reform.

## How do I enroll???

You will receive an email from the Electronic medical record system. Please look for an email from @modernizingmedicine.com. Click the LINK in the email to register. **PLEASE NOTE: the link expires in 24 hours.** Registration process includes the following steps:

1. Click on the link in the email
2. Enter your date of birth in format MM/DD/YYYY
3. Reset your password

A purple form titled "Set Password" with a message: "Your password has either been reset or has expired, and there are no grace logins left, you must reset password now." It contains two input fields labeled "NEW PASSWORD" and "CONFIRM PASSWORD", and a "Set Password" button at the bottom.A purple form titled "PASSWORD RESET" with a message: "Please verify your date of birth and last name to change your password." It contains two input fields labeled "DATE OF BIRTH" and "LAST NAME", and two buttons: "Verify Information" and "Cancel" at the bottom.

## Who do I contact for help???

Contact our office at 808-621-1000 and we'd be happy to help!!!
